

The Forensic Document Examiner Code of Ethics

A Forensic Document Examiner:

- Will always search for the truth.
- Will always be objective.
- Will always be an advocate only for the documents.
- Will render expert opinion based on the truth of evidence.
- Will always maintain the highest possible standard of proficiency.
- Will render an unbiased opinion based upon knowledge, training, experience and ability.
- Will conduct business and financial matters in an ethical and honest manner.
- Will not base examination or conclusions on monetary gain or personal motives.
- Will continue to develop abilities through continuing training, conferences, seminars and research.
